iPad Programs

Experiences from the field

My students are going off task, I'm fed up

Teachers

This is all too hard

IT Admin

I can't manage, their mean't to be doing their homework

Parents & Students

I don't have the Apps I need

Shared
Responsibilities

**Less
Distractions.
Better Learning.**

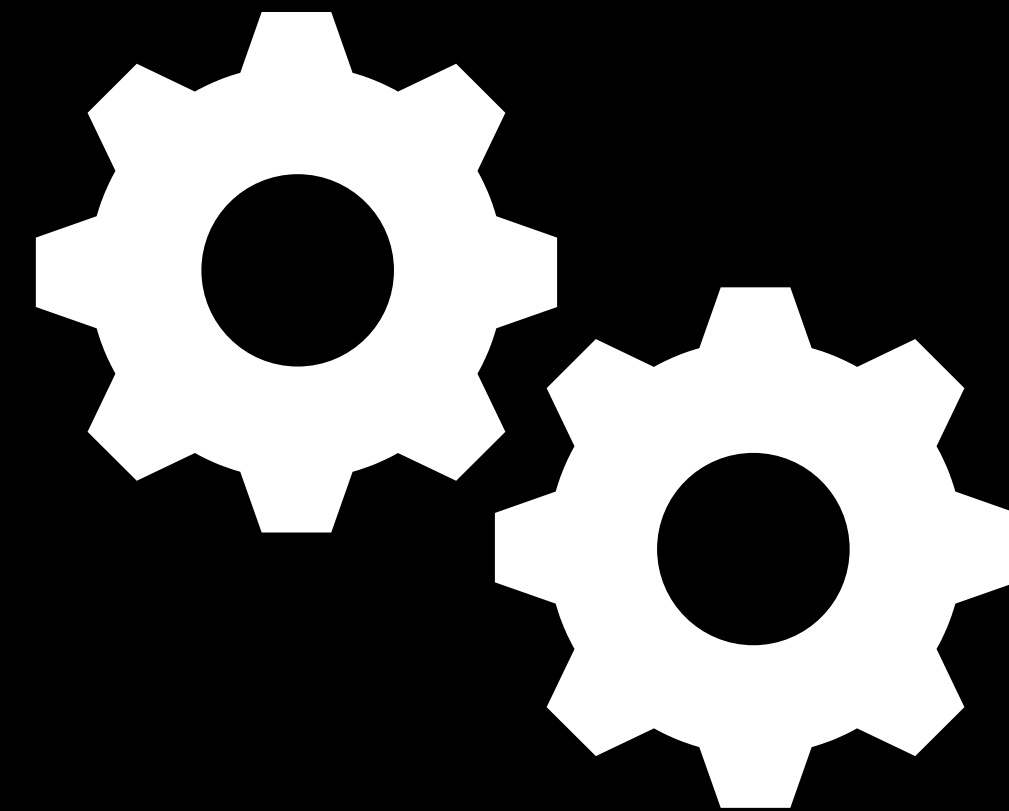

MOBILE DEVICE MANAGEMENT?

Mobile Device Management (MDM)

Get students up and running quickly

Manage iPad over the air

Deliver apps, profiles

Allowed Apps

[Set Allowed Applications](#)

Restricting an application will not remove it from the device. It disables the use of it. Once enabled it can be used with the last known settings.

[Enable App Lock](#)

Lock a device in one or more apps for a given time period. To enable this periodically you can [create a Device Rule](#).
